Micro, NC

## Fall Newsletter 2022

***Dear Friends of Micro Memorial Gardens,***

After a long, hot summer we are finally feeling some cooler temperatures as November begins to approach us! We continue to receive many compliments on the driveway, new fence and trees that were planted this year and we want to continue positive progress moving forward.

Just a friendly reminder as we strive to ensure that the cemetery looks nice. Remember that all summer flowers must be removed by October 1<sup>st</sup> and winter flowers removed by March 15<sup>th</sup> each year. No live plants can be added. All natural flowers and funeral floral arrangements must be removed from the graveside within 14 days. Your assistance in keeping your loved one's grave neat and tidy is appreciated. Doing so allows grass to be mowed which keeps the appearance of the cemetery looking pleasant.

Members of the Board of Directors are Wesley Mitchell (President/Seller of Graves), Glen Wheeler (Vice President), Glenda Flemer (Secretary), Wanda Warren (Assistant Secretary), Anita Mitchell, Eunice Tulloss, Debra Wheeler, Jay Warren, Jake Yelverton, Iris Yelverton, Douglas Barefoot. You may contact Wesley Mitchell at 919-901-5155 or any other board member as needed.

Due to decline in the stock market our perpetual funds have drastically decreased. It is important to ensure that we have enough funds in the cemetery account for years to come to cover the cost of lawn care and maintenance. We thank you for your monetary contributions in the past and kindly ask you to again honor the memory of your loved one(s) with a donation.

We will list the names of each donor and those remembered on our website at [www.micromemorialgardens.com](http://www.micromemorialgardens.com).

Thank you in advance for your contributions and for helping to keep the cemetery a pleasant resting place for our loved ones.
